**REQUEST FOR CORRECTION OF FILING RECEIPT, REQUEST THAT PCT
APPLICATION PAPERS BE MATCHED WITH THE APPLICATION FILE, AND
REQUEST THAT INCORRECT APPLICATION PAPERS BE EXPUNGED FROM THE
APPLICATION FILE**

Honorable Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The Official Action mailed December 2, 2004, states that the papers in the file do not match the current application and that the papers in the file belong to PCT/JP00/06383 instead of PCT/JP00/06868 (page 2, Paper No. 5). It is noted that the correct International Application No. PCT/JP00/06838 appears in at least each of the following documents: (1) the *Combined Declaration for Patent Application and Power of Attorney*, (2) the Application Data Sheet, (3) an Information Disclosure Statement, and (4) page 2 of 2 of the *Transmittal Letter to the United States Designated/Elected Office (DO/EO/US) Concerning a Filing Under 35 U.S.C. 371*, all of which were filed on February 19, 2002, and copies of which are all available in the Image File Wrapper (IFW). However, a typographical error appears on page 1 of 2 of the *Transmittal Letter to the United States Designated/Elected Office (DO/EO/US) Concerning a Filing Under 35 U.S.C. 371*, which inadvertently shows International Application Number PCT/JP00/06383 instead of PCT/JP00/06868. Apparently, this error has resulted in an

error on the Filing Receipt mailed May 9, 2002, in that the wrong priority data appears. This has also resulted in an error in the handling of the present application in that papers for the '383 PCT application appear in IFW instead of or in addition to papers for the '838 PCT application.

Therefore, consistent with the above facts, the Applicants respectfully request (1) that the Office correct the Filing Receipt to show that the present application is a 371 application of PCT/JP00/06838, filed October 2, 2000, (2) that the Office associate papers from PCT/JP00/06838 with the present application, and (3) that any papers associated with PCT/JP00/06383 be expunged from the present application.

Should it be deemed necessary that a Petition be filed in order to authorize the above requests, the Applicants respectfully request that the present *Request* be treated as a Petition and that any necessary fees be charged to Deposit Account No. 50-2280.

If the Office requires any further information to facilitate this request, Office personnel are invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,

Eric J. Robinson
